ORDER NUNC PRO TUNC

In Conference at its office in Austin, Texas, the Railroad Commission of Texas took up for consideration the matter of correcting its Final Order entered on September 24, 2013 adopting Substitute Finding of Fact No. 4 and Substitute Conclusions of Law Nos. 3 and 4. The Commission finds that, due to clerical error, the Final Order entered on September 24, 2013 incorrectly stated, in Substitute Finding of Fact No. 4, the ownership of the working interests in the subject docket.

Accordingly, it is **ORDERED** that the Final Order in Docket No. 02-0278952 be, and the same is hereby, amended *nunc pro tunc* so that Substitute Finding of Fact No. 4 reads as follows:

Substitute Finding of Fact:

4. EOG is the operator of and, together with its working interest partners, owns 100% of the working interest rights to the Eagleville (Eagleford-2) Field under the Georgia Dubose-Glassell 516.569-acre Lease and the Georgia Dubose-Pierce 304.97-acre Lease and there are no unleased interests within 330 feet of any point on the proposed wellbore.

Done this 26th day of November, 2013.
